AT

GABRIELLE-ROY, SURREY

Ethno Femmes Francophones is a diverse ethnic group of women from five continents who have the French language in common.

Our Mission

Support and promote the development of networks between ***francophone*** women from various ethnic origins.

We are members of Réseau Femmes Colombie-Britannique. Our goal is to ensure that our group of women have improved visibility within the Francophone community as well as better access to the organization's services.

Our Objectives

To unite the Ethnic Francophone women of British Columbia.

To promote our Francophone women's ethnic diversity throughout British Columbia.

To help Ethnic Francophone women achieve economic success in British Columbia.

Our Activities

We offer various activities to help improve our members' abilities within their chosen fields.

We encourage any interested women to join our monthly meetings.
